

Weißenburg, October 2020

Conformity declaration

We herewith confirm to all our customers that all cables, wires, and wires produced by us are in full compliance with all of the following EU Guidelines:

Guideline 2000/53/EG Altfahrzeuggesetz (Act on old road vehicles)

Guideline 2002/96/EG WEEE

Guideline 2003/11/EC (76/769EWG)

Guideline 2014/35/EU **Niederspannungsrichtlinie (Low voltage Guideline)**

Guideline 2011/65/EU **RoHS +RoHS II** (Elektro-/Elektronikgeräte / electrical / electronic devices)

Guideline 2015/863/EU **RoHS 3** / Modifications Guideline

Guideline 1907/2006/EG (**REACH**)

Guideline 2019/1021/EU (POP + PFOA)

In addition our products are in compliance with the current REACH Guideline (EG) No. 1907/2006 Including the list of candidates of specially troubling substances (Substances of Very High Concern - SVHC) **SVHC** candidate list of the European Chemical Association (ECHA) of 10. July 2020 with 209 substances and the VDA list 232-101.

Further we confirm no **conflict minerals** ("Dodd-Frank Act" / CFSI) are in our products used; on request we provide you a CRMT template.

If there is any permissible exception applicable to the substance prohibitions, this will be documented

in the substance declarations or recorded in special agreements.

Material documentations are provided upon request via **IMDS**.

Upon request, we will also provide phthalate free cables for the use in **toys** complying with EU Guideline 2009/48/EG of 18/June/2009 and EN 71-3 (previous 2005/84/EG).
